CONSTIPATION

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Happily I tried Cascarets and from that time I am a well man. During the nine years before I used Cascarets, I suffered untold misery with internal piles. Thanks to you I am free from all that this morning. You can use this in behalf of suffering humanity."

Keep Baby Healthy; Free

No child can be well and strong unless its bowels move regularly every day at the same hour. Such regularity promotes good health. One passage is absolutely necessary, while two are not too many.

There is one remedy that is especially adapted to the needs of children, and which thousands of American mothers are using today, and that is Dr. Caldwell's Syrup Pepsin, the great herb laxative compound. Its gentle action, so free from griping, its tonic effects, and its perfect purity, vouches for to the United States Government, makes it an ideal children's laxative tonic.

Mrs. M. F. Cash, of Webb, Okla., is an old-time friend of this wonderful child's remedy and she says she could scarcely keep house without it. She became acquainted with it through Dr. Caldwell's offer of a free trial bottle, which she found so effective on her baby that she now always keeps it in the house. Mrs. K. L. Stout, of Louisville, Ky., also first used it in a free sample, then bought it of her druggist at the regular price, which is only 50 cents or \$1 a bottle. It gave her little girl a splendid appetite and a vigorous stomach. Where Dr. Caldwell's Syrup Pepsin once finds its way into the home it makes a life-long friend. They soon discard salts, pills and powders. Those who have never yet used Dr. Caldwell's Syrup Pepsin should begin to do so, for they are missing a valuable household friend. In order to acquaint you with its merits at no expense to yourself the doctor will send you a free test bottle on receipt of name and address. It has been justly called the nation's safeguard to health in the cure of constipation, dyspepsia, heartburn, liver trouble, sick headache, sour stomach and similar digestive ailments.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell bldg., Monticello, Ill.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which—despite the most beneficent environment of soil—of sunshine—and of atmosphere,—seemed never to achieve a healthy growth?

A ton of manure will not help a plant that has a canker eating out its heart. You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vaseline, etc.

You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out. Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

\$1 Bottles Guaranteed.

A baby was born recently to Mr. and Mrs. A. D. Sullivan of Brown county, Ohio, whose lineal succession is certainly exceptional. It has one great, great grandmother, three great grandfathers and two great grandmothers. Next it has two grandfathers and two grandmothers. This makes a total of ten grandparents, which certainly has few equals the country over.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
